(c) the time by which the said Maternity Centre is likely to be opened?

Answer

MINISTER OF HEALTH AND FAMILY WELFARE (DR. C.P. THAKUR)

(a) to (c) Since 1992, there has been a decline in the number of delivery cases at the Maternity Centre, CGHS dispensary Kalkaji and therefore, the facilities at the Maternity Centre have been restricted to antenatal check up. However, action for restoration of full fledged services at this Maternity Centre has already been initiated by the Government.
